

Information Table Helpers

Help us create the Welcome of the Kingdom!

Please be at the church by 9:30, get your name badge & just hang out at the table (probably in front of table) to talk with anyone **until 10:10**. Check Guest Information packets (most should be pre-made for you). Try to have at least 3 at the info table. Supplies are in cabinet underneath table. Be aware of new faces that you can introduce yourself to and ask how long they have been coming to the Vineyard. After Service try to get out to the Info table following last song. Tony or I will try to be at the small table in the hallway to greet guests. 1st time guests are being asked to bring their Connect card to that table or the info table to receive their gift (info packet with CD & Coffee cup). **This can be done by one person if both are not available!**
